BOUTIQUE CHEF-PREPARED SMALL BITES

Our small bites service is designed for hosts looking for a more elevated alternative to traditional catering. Every menu is thoughtfully curated with chef-prepared bites that encourage guests to mingle while enjoying exceptional food.

The selections in this menu highlight many of our most popular offerings, but custom menus are our specialty. Whether you have a favorite cuisine, seasonal inspiration, dietary accommodations, or a unique vision, we'll create a menu tailored specifically to your event

Each small bite is prepared ahead of your event and finished, assembled, and presented fresh onsite for the highest quality and presentation. Service can be displayed as an elegant self-service station, passed by our staff, or customized to fit your event.

We look forward to creating a menu that's uniquely yours.

Warm regards,

Carson Foreman
Founder & Executive Chef
